SIMPLE PRODUCTS REDUCE COSTS AND EXTEND THE LIFE OF YOUR TOOLING

McGILL ABRASIVE RESTORER

The ideal cleaner and load reducer of all abrasive surfaces as recommended by the world's leading abrasive manufacturers.

Simply apply Abrasive Restorer to sanding discs or belts before resins, glues, fillers and grinding dusts are burnt into the abrasive surface.

Consistent and regular use of the restorer will prolong the life of a belt or disc, while maintaining highest efficiency.
